

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

I strongly object to the endeavors of Sinclair Broadcasting to control the airwaves with trash re the presidential candate! Very undemocratic.

Sinclair is supposed to use the public airwaves free of charge, and is obligated by law to serve the public interest. Will this broadcast serve the public interest? I don't think so!!!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
